4 RESPONSIBILITY

4.1 The Person in Charge

Yacht racing can be dangerous. The attention of Persons in Charge is drawn to RRS Fundamental Rule 4: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone" and to Special Regulation 1.02.1

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- they are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- they are responsible for the safety of themselves, their crew, their

boat and their other property whether afloat or ashore;

- c) they accept responsibility for any injury, damage or loss to the extent caused by their own actions or omission;
- d) their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) the provision of a race management team and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- f) they are responsible for ensuring that their boat is equipped and seaworthy so as to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed, in date and familiar to the crew.

4.2 The RORC

The RORC, its sponsors and other organising clubs, accept no responsibility or liability for loss of life or injury to members or others, or for the loss of, or damage to, any vessel or property.

4.3 Starting and Continuing to Race

The Race Committee will make starting signals unless in their opinion it is manifestly unsafe for any of the boats entered to remain in the vicinity of the starting line. Each boat shall exercise her responsibility under RRS Fundamental Rule 4 and decide whether or not to start or to continue to race.

4.4 Race Declaration(s)

No boat will be accepted as an entry unless the Person in Charge has, before the start of the race, signed a declaration in the terms set out in NoR 16. The RORC reserves the right to require a signed declaration, in the terms set out in NoR 16, from each crewmember.

4.5 Safety and Lifesaving Equipment

Crew members' attention is drawn to RRS 1.2 Life-Saving Equipment: "Each competitor is individually responsible for wearing a personal flotation device adequate for the conditions."

However a lifejacket and harness shall be worn when on deck:

- Between the hours of sunset and sunrise
- When alone on deck
- When reefed
- When the true wind speed is 25 knots or above
- When the visibility is less than 1 nautical mile

See also Special Regulation 5.02.

4.6 RORC Safety Sticker

All boats shall display the RORC Safety Sticker in a prominent place on board. The sticker is available from the RORC.

5 ELIGIBILITY - The Boat

5.1 Suitability

The race is open to seaworthy boats which comply with the rules and regulations described in the Notice of Race and which are manned by an adequate number of experienced crew who are physically fit to face bad weather. The minimum crew on any monohull shall be three apart from as allowed under NoR 5.3.1.1 Two-Handed Class. However, no person may race contrary to the terms of a ban imposed by the RORC, a National Authority or World Sailing.

5.2 Boat Size

There is no maximum size for boats in the RORC Transatlantic Race.

The minimum size for monohulls is determined by their rating, and their SSS/STIX numbers. The minimum size for multihulls is 9.15 metres/30ft (LOA) with a minimum MOCRA rating of 1.200.

The committee may make exceptions on application.

5.3 Divisions

5.3.1 IRC – Boats rating 1.004 and greater

IRC Rules Parts A, B and C shall apply, except as varied below or in the Sailing Instructions.

5.3.1.1 Two-Handed Class

A Two-Handed Class within IRC will be available in the RORC Transatlantic Race. Boats will be eligible for both Two-Handed and IRC rating band class trophies. Automatic or wind-vane steering is permitted. This changes RRS 52. Entries must satisfy the committee that they have suitable and adequate experience and that their boat is appropriately prepared for two-handed sailing.

5.3.2 MOCRA Multihulls - Boats Rating 1.200 and greater

Offshore multihulls with endorsed MOCRA (Multihull Offshore Cruising and Racing Association) rating certificates may enter a multihull division of the race. For more information on MOCRA and to apply for a rating visit the MOCRA website (<http://www.mocra-sailing.org.uk>). The minimum crew for multihulls is two. In two-handed multihulls automatic or wind-vane steering is permitted. This changes RRS 52.

5.3.3 Classic Yachts

Classic yachts which meet the following criteria are eligible to enter the RORC Transatlantic Race:

- Yachts built before 31 December 1978 that have not been substantially modified from their original plans and that have been built as one-offs or in a limited non-industrial series.
- Replica yachts that, regardless of their launch date, were built to plans pre-dating the end of 1978, and in accordance with the techniques of that period.
- Yachts built in the spirit of the classic yachts, of the period in which they were built and built as one-offs.

The Organizing Authority has the final say over any interpretation of the criteria for entry.

5.3.4 Class Racing

When at least six boats from a class, which in itself races "level" and is recognised by the RORC, take part in the race, a class result may be provided. With prior permission from the RORC, certain classes may be allowed to race under class rules within RORC racing (e.g. Class40).

5.4 Changes to IRC Rules

5.4.1 Spare Mainsail

A spare mainsail may be on board but shall not be used unless the racing mainsail is damaged beyond repair. The use of the spare mainsail must be declared on the Race Declaration.

5.4.2 Spinnakers

In accordance with GBR Rule Authority prescription published on www.rorcrating.com IRC Rule 21.6.1 is changed to the extent that a boat may carry one more spinnaker than shown on her current certificate of area not greater than rated SPA without an increase in rating.

5.4.3 Crew Numbers

IRC Rule 22.4.2 is deleted and replaced by: "The maximum number of crew that may sail aboard a boat shall be the number shown on the certificate. There is no weight limit."

The minimum number of crew is 3 except as allowed in NoR 5.3.1.1 Two-Handed Class.

5.5 Automatic and Wind-vane devices for Steering

Automatic and Wind-vane devices for steering may be carried but not used, except as in NoR 5.3.1.1 Two-Handed Class. This amends RRS 52.

5.6 Classes

Class	TCC Range
IRC Classes	1.004 and greater
Superyacht	Boats greater than 30.5m (100ft) LOA
Classic Yachts	as per 5.3.3
Class40	Level Rating
Multihull (MOCRA)	1.200 and greater

The Class splits for IRC will be announced after the Closing Date (Monday 4th November).

5.7 Rating and Class Certificate(s)

Boats shall hold valid rating/class certificate(s) on the Rating Deadline. Boats racing under IRC are not required to submit a copy of their certificate to the RORC. Boats holding other rating/class certificates shall submit a copy of their certificate(s) to the RORC by the Rating Deadline. Changes to ratings and class certificates will only be accepted after the Rating Deadline in exceptional circumstances at the discretion of the RORC. Every boat racing shall have on board a current valid signed copy of the rating and/or class certificate for the Class or Classes in which she is racing.

5.8 2019 World Sailing Offshore Special Regulations (OSR) and RORC Prescriptions

The race is Category 1 including RORC Prescriptions.

The complete 2019 World Sailing Offshore Special Regulations with RORC Prescriptions are available in Appendix 1 of the 2019 RORC Notice of Race - http://static.rorc.org/downloads/2019-racing/rorc_nor_2019_web.pdf

Competitors shall ensure that the name of the boat is transmitted rather than just the MMSI number.

5.8.2 AIS Personal Crew Overboard Beacon

OSR 4.22 requires that all crew have an AIS Personal Crew Overboard Beacon, these should be carried by each crew member at all times while on deck.

5.8.3 Satellite Telephone

Every boat is required to carry a satellite telephone for the race. The telephone number shall be lodged with the RORC.

5.8.4 OSR Compliance

Responsibility for compliance rests with the Person in Charge of the boat. However the RORC will endeavour to help Competitors to understand the OSR and reserves the right to conduct an OSR inspection on any competitor's boat at any time.

Before the race, the Person in Charge shall complete an OSR Checklist to Category 1 (available on the Documents Page).

6 STABILITY AND SAFETY INDICES

In accordance with OSR 3.04 the RORC uses minimum stability/ buoyancy indices. Monohull yachts not racing under IRC shall satisfy the RORC that they meet the requirements of other stability indices for the category of race.

In exceptional circumstances the RORC may accept other indicators as to the suitability of the boat for the race.

6.1 SSS, ORC Stability Index or STIX and AVS

Boats with a series date of 1995 and later will be categorised under STIX and AVS only.

Boats with a series date before 1995 may be categorised under either SSS, STIX and AVS, ORC Stability Index.

OSR Category	STIX min	AVS min	Minimum righting energy	SSS min	ORC Stability Index min
Category 1	32	130 – 0.002*m but always ≥ 100°	m* AGZ 17200	35	115

Where m is the mass of the boat in minimum operating condition as defined by ISO 12217-2

Where "A_{GZ}" is positive areas under the righting lever curve in the minimum operating condition, expressed in metre degrees from upright AVS

Race Entry Form Declaration to be signed by every Person in Charge

To the best of my knowledge the information I have given is accurate. I understand that yacht racing can be dangerous. I agree that the RORC, organising clubs, the Rolex SA, the Rolex UK, other sponsors and their agents, have no responsibility for loss of life or injury to members or others, or for the loss of, or damage to any vessel or property. I have paid particular attention to and agree to be bound by Special Regulation 1.02 and I have read and understand and where appropriate agree to be bound by RORC NoR 4 Responsibility. Before racing I will effect adequate and suitable insurance. Before racing I will ensure that my crew is aware of:

- the undertaking in this Declaration
- the importance of effecting appropriate personal insurance
- their responsibility in rules observance, and in particular RRS 1.2 (wearing a personal flotation device adequate for the conditions). See also RORC Prescription to the Special Regulations 5.01.5

I agree to be bound by RRS, RYA Prescriptions, this Notice of Race, World Sailing Offshore Special Regulations and other applicable rules. The boat will be available for inspection. If any alteration likely to affect the handicap or rating is made, e.g. to sails, rig, mast, ballast, trim, engine or propeller, I will notify the Rating Authority and Race Committee immediately. I will ensure that no crew member races on my boat contrary to the terms of any ban imposed by World Sailing, or a National Authority or the RORC.

I understand and agree that the information given in this race entry and also the race entry lists and results will be maintained on the Club's computer to be used for all aspects of race organisation.
